

BACK TO THE ROAD WAS A HUGE SUCCESS!

This past weekend the 22nd Annual Dean Turnquist Spring Fever Road Hockey Tournament was held and all involved are declaring it one of the best!

All of the money raised from this annual fundraiser goes into the Helping Hand Fund which ensures the money raised is put right back into our community to support underprivileged kids in sport.

The 2017 tournament was a great event with the "Return to Road" for the adult event on Saturday by hosting the event on 47 street, just east of Boots and Barrels. With close to 150 players and numerous spectators taking in the action, it was well received with positive comments from both spectators and participants alike.

The kids event on Sunday saw close to 250 kids fill the arena on Sunday for a busy day with parents, grandparents and fans watching the kids make a day of the event!

This day could not happen without the tireless efforts of the Organizing Committee. If you see them out and about in the community, I hope you will congratulate them on a great job once again!
